Kaneen Bursaries

for young fluent speakers of Manx Gaelic

Culture Vannin is pleased to invite applications from young fluent speakers of Manx Gaelic aged 18-30 to attend a summer school in Irish language and culture run by Oideas Gael in Donegal during the summer of 2019. A maximum of two bursaries will be available and will cover all travel and accommodation costs to the selected summer school on confirmation of a place, within the nominated budget.

Bursary holders will be expected to write or record a blog in Manx Gaelic on their return.

Manxman and academic, Professor Brian Kaneen was a professor and lecturer in German and Linguistics at Simon Fraser University in British Columbia. A keen supporter of Esperanto, these bursaries reflect his wish to develop a wider understanding of the Gaelic continuum amongst young Manx speakers.

The course runs from Saturday to Saturday most weeks in July and August and the preferred dates are **20-27 July 2019**.

Applicants should fulfil the following criteria:

- Aged 18-30
- Resident in the Isle of Man (this includes those resident in the IOM but studying in the UK, Ireland or elsewhere).
- Fluent speaker of Manx (minimum TCG or equivalent)

To apply, please fill in the application form available here and return it as a PDF to gaelg@culturevannin.im who is the contact if further information is required.
